The Flyers Philadelphia made some significant movements of the list in the summer to recover their competitive identity. The additions of Ryan Ellis, Cam Atkinson and Rasmus Ristolainen have not paid the dividend management he expected. With the NHL and AHL lists working in the lower half of the leagues, there are little hope of an immediate resurgence. The prospect group has a high -end talent, so as a decent depth on the road. The NHL list has quality players that contribute less than 25 years in Joel Farabee, Travis Konecny, Carter Hart and Ivan Provorov. But the number of the list are veterans, and several are in offers that defeat as their franchise star Claude Giroux.
